UNIT A:

Cutting Instructions:

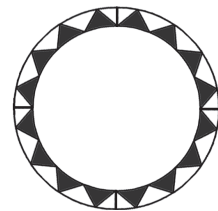

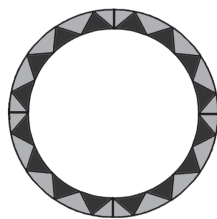

Bag #1: Arc Units:

Templates: A1 and A3

or used to cut the pieces for the background fabrics. Template A2 is used to cut the dark pieces for the triangles in the arc.

Choosing Fabrics for the Arcs: If you use a medium light fabric for the background fabric behind the triangles, the circles show up as shown on the cover. Different colors can be used to create different looks for these circles.

If you use the same background fabrics for both the A and D units the triangles will float and you will not see any circles around the stars.

Choose a selection of background fabrics for the arcs and a selection of medium-dark to dark fabrics for the triangles. This quilt was designed to mix fabrics, so mix and have fun.

The different quilt sizes are listed on the cutting chart above along with the number of strips required to cut the pieces needed for each template.

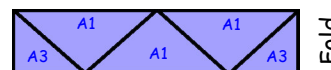

If you are planning to use different fabrics for each circle cut out enough pieces to complete one circle from each color and place them into small bags along with the dark fabric pieces for the triangles. Place the individual bags into Bag #1.

Template A1 and A3: Background Fabric #1: Cut 11" by 42" strips. Crosscut the 11" strips into 2 1/4" by 11" sections.

One 11" by 42" strip yields eighteen 2 1/4" by 11" sections.

Place templates A1 and A3 onto the 11" sections. Cut the background pieces as shown.

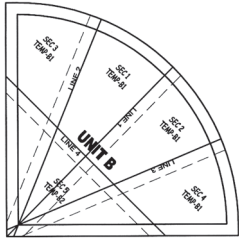

One strip 2 1/4 by 11" wide yields enough background pieces for one arc. Four arcs completes one circle.

Template A2: Dark Fabrics: Cut 2 3/4" by 42" strips.

One strips 2 3/4" x 42" wide yields 17 pieces, which is enough for one complete ring.

UNIT B: Background #2

Cutting Instructions for Bag #2:

Unit B Background: Templates: B1 and D2 are used to complete this unit. Template B1 is used for sections 1, 2, 3, and 4. The pieces for Template D2 were cut in the previous steps and should have been placed into this bag. These pieces are used for section 5. Refer to the cover sheet for the placement of these pieces. The background fabrics are used for the side units and the dark fabrics are used for the top and bottom units.

Template B1: Background Fabric #2:

These pieces can be cut from one background fabric or several background fabrics. Fold fabrics wrong sides together. Cut 3 3/4" by 42" strips. Place Template B1 onto the strips. Crosscut the strip into sections as shown in the graphic below. Open the leftover pieces on the fold at the ends of each strip. Re-stack these pieces wrong side together and cut into two sections. Place these pieces in Bag #2.

UNIT B Border:

Unit B papers are also used for the borders. On the foundation papers it says to use Template B1 but Template BB1 is used instead. The triangle pieces for section 5 are not sewn onto these papers so do not sew on Line 4.

Cutting Instructions for Bag #3: Unit B Border: BB1 is used to cut the fabrics for sections 1, 2, 3, and 4. **Note: Do not sew any fabric under section 5 for these border units.** Cut one 6" by 42" strip from four different medium or dark fabrics. These border pieces can be made with just four fabrics or you can mix several dark fabrics and make each unit different. Place these pieces in Bag #3.

Arrowhead Crossing Yardage Chart

This pattern includes enough foundation paper to complete the 54" by 68" quilt shown on the cover

When choosing fabric for this quilt you need to think about texture, value and contrast. The yardage requirements for this quilt are figured for the different designs created in the quilt such as the circles around the arcs, the background fabrics behind the stars, the background behind the triangles, and border fabrics.

| | | | | | | | |
|--------------------------------|---------|---------|---------|---------|---------|---------|---------|
| Quilt Sizes in Inches | 28"x28" | 42"x42" | 42"x56" | 54"x68" | 70"x85" | 85"x99" | 99"x99" |
| Number of Star Rings Per-Quilt | 1 | 4 | 6 | 12 | 20 | 30 | 36 |

Background Fabrics

Background fabrics were chosen from a collection of light marbled batiks blending value and color. You will need to choose background fabrics for the following three sections. Choosing several background fabrics to use with each section will add interest and texture to your quilt. If you want the circles to show up around the arcs you need to choose a medium tone fabric for background #1. If you want the triangles to float and not see the circle then background #1 and #2 should be the same. Background #3 is for the stars. Using different fabrics equal in value behind the stars looks great and will add interest to your quilt.

Approximate yardage requirements for each Background

| | | | | | | | |
|---------------------------------------|--------|-----------|-----------|-----------|-----------|-----------|-----------|
| Background #1: Unit A: Arcs: | 1/2 yd | 1 1/2 yds | 1 1/2 yds | 2 yds | 2 5/8 yds | 3 1/4 yds | 4 yds |
| Background #2: Units B & D: Triangles | 1 yd | 2 yds | 2 1/2 yds | 4 yds | 6 yds | 8 yds | 9 1/2 yds |

Dark Fabrics

Select a variety of dark and medium fabrics to use with the following units. These yardage amounts can be divided into smaller yardage amounts as long as the total yardage adds up per unit.

Border Fabrics

The yardage I am giving you is the total amount needed for each template. The strip sizes required for each template are listed below with the templates. I used 12 fabrics in the border, blending colors for both the B & E Units. Left over scraps from your other dark fabrics can also be used. Don't be afraid to select a variety of fabrics to mix and blend with the following templates.
