Inner Border:

1/2 Yard

Cornerstones:

One Fat Quarter each of a light, medium, and dark fabric.

Pre-Class Instructions:

Pre-cutting the fabrics is a mandatory requirement prior to taking this class. Please begin preparing for class at least 2-3 WEEKS prior to the class to make sure that you are able to get familiar with your pattern and complete the pre-cutting before hand. It is important that you have your pre-class cutting completed. If this step is not completed, you will have a very difficult time keeping up and participating in the instruction.

First READ through the entire pattern before beginning.

Pre-Cutting:

One fat quarter has enough fabric to make three 6" blocks.

Cut three 6" X 21" strips from each fat quarter. Stack the strips and crosscut them into 6" X 6 3/4" sections. ***Each fat quarter yields 9 sections.*** Place them in a Ziploc bag and bring to class.
