

Dear Judel:

I am currently taking a class at the Quilt Basket in Wappingers Falls on the Mariner's Compass (taught by the wonderful, dynamic and exhuberant Jackie Kunkel!!!) I just wanted to take this opportunity to let Quiltworx know what a great teacher and promoter of Judy Neimeier Jackie is. She is always there for her students and always listening and always helpful (even after class via email!!!)

Thank you for employing such a nice person!!!

Sincerely,

Louise
