

## Foundation Paper Piecing Instructions

### Stacking

The stacking process begins with Sec. 10 on the bottom. The pieces are stacked in reverse order finishing with Sec. 1.

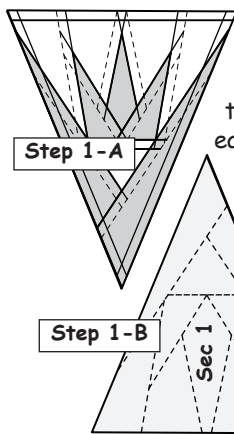

### Sorting and Stacking Unit-A

Match the template and fabric pieces up with the Sec. #s on the foundation papers.

Sort and stack the pieces in chronological order on your table with the templates and fabric pieces facing *right-side-up* for each section.

### Foundation Paper Piecing Unit-A

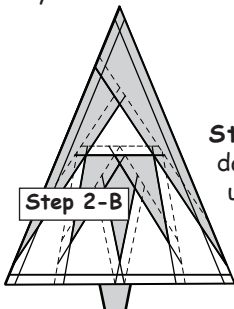

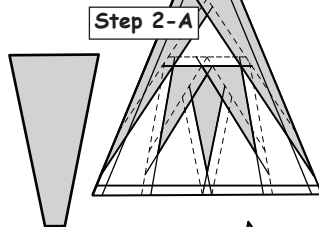

**Step 1-A:** Place the foundation paper onto a light table. If you did not already do so, flip the foundation paper over and trace the dashed lines onto the backside of each Unit. The location for sections 4, 5, & 6, is hard to locate on the backside of the paper without tracing the lines.

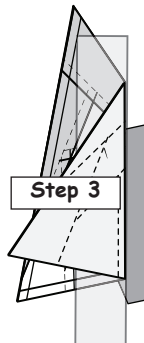

**Step 1-B:** Find Sec. 1 on the foundation paper. Place a small amount of fabric glue on the *wrong-side* of the paper under Sec. 1.

**Step 2-A:** Position the first piece of fabric for Sec. 1 *wrong-side-up* on your table.

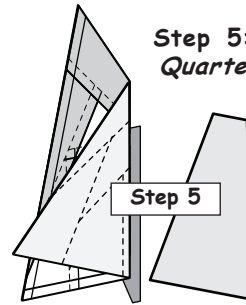

**Step 2-B:** Lift the foundation paper, slide the fabric under Sec. 1 and glue the first piece of fabric to the backside of the paper.

**Step 3:** Place the fold template over the top of Sec. 1. Line the edge of the fold template up with Line 1. Fold the paper back over the top of the fold template.

**Step 4:** Place the *Add-A-Quarter* ruler next to the folded back section on the paper, lip-side down, and trim the fabric with your rotary cutter.

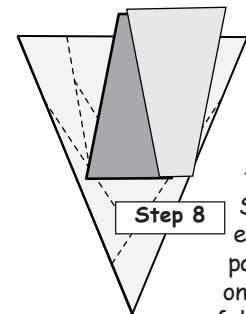

**Step 5:** Remove both the *Add-A-Quarter* and fold template. Place the fabric piece for Sec. 2 *right-side-up* next to the folded back paper as shown.

**Step 6:** Lift the foundation paper and slide the fabric under Sec. 2. Line the sew-side up with the trimmed quarter-inch seam allowance.

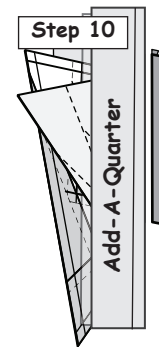

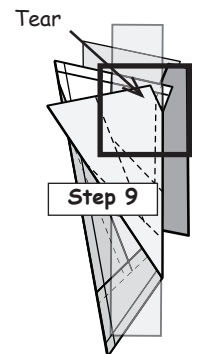

**Step 7:** Open the paper and sew on Line 1 extending the stitches just past the dashed line on both ends of the sew line.

*Note: Loosen the glue under Sec. 1 before you press.*

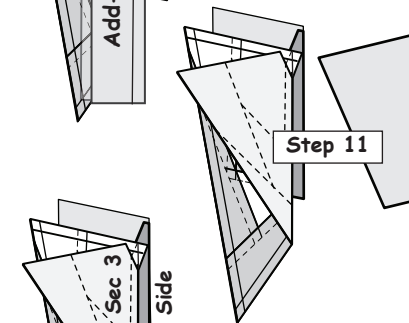

**Step 8:** Flip the paper over and press the fabric on the backside of the paper as shown.

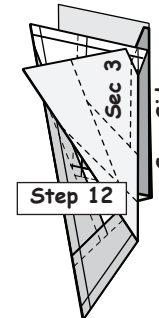

**Step 9:** Place the fold template over the top of Sec. 1 & 2, lining up the edge on Line 2. Tear the paper along the stitches on Line 1. When you hit the fold template, stop!

**Step 10:** Fold the paper back on *Line 2* and trim the fabric with the *Add-A-Quarter* ruler.

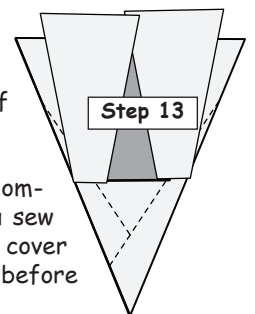

**Step 11:** Position the third fabric piece next to Sec. 3.

**Step 12:** Slide the fabric under Sec. 3. Line the sew-side up with the raw edge of the trimmed quarter-inch seams allowance. Open the paper and sew on Line 2.

**Step 13:** Flip the paper over and press the fabric pieces on the backside of the paper.

Continue adding the fabric pieces to complete each section. Pay attention as you sew and always make sure the fabric pieces cover the section they were intended to cover before trimming and sewing the next seam.
