Material Requirements:

Fabric #	Yardage	Usage
#1	7/8 yard	CS-2 & CS-4 Units (inside square background)
#2	1/3 yard	CS-1 Unit (Spike)
#3	1/3 yard	CS-3 Unit (an accompanying spike to CS-1)
#4	1/3 yard	CS-5 Unit (an accompanying spike to CS-3)
#5	1/3 yard	M- Unit (small center circle background)
#6	1/3 yard	M-Unit (Spike)
#7	1/3 yard	Template #1 Background

A good rule of thumb – is to purchase additional fabric in each color – any amount from ¼ yard should do. This is just in case you might run short – and mistakes can happen while cutting or piecing. Save your scraps – you could possibly need them later...

CLASS PREPARATION:

Please insure that you have all your papers, templates and fabric cut out prior to class. Judy had designed a technique to help you in being organized in working on her patterns – thus the reason you place certain pieces into to one of the three Ziploc/plastic bags.

Come prepared "Bright Eyed and Busy Tail" – because we will learn the techniques that will help you complete your project!
