

# Mariner's Compass

(68" x 68")

This is one of Judy Niemeyer's newest Technique of the Month patterns – skill level is Intermediate/ Challenging. If you have some experience in paper piecing and normal sewing skills, you should do fine in this class. The class is designed to teach you one technique in a month in which you will go home and finish the assigned project and prepare for the next months. Because this quilt is constantly evolving, you might want to just buy the fabric as we go along, or if you definitely know what you want.. then get it all. The picture shows the 68"x 68" design – but this can be made into a queen size quilt at 98" x 98".

## Class Instruction Schedule:

*Class Preview:* Help in selection of fabric/pattern explanation/preparation

*Technique 1:* Spokes and Compass Flower (Units C & D; Unit B);

*Technique 2:* Feathered Star (Units K; Z & E);

*Technique 3:* Sails and Compass Rose (Units L & M; Unit A);

*Technique 4:* Ropes (Units G; H; I; R & S);

*Technique 5:* Backgrounds (Units O; P; T; U; V & W);

*Technique 6:* Assembly.... All the units have to be completed before we can sew them together (for those doing the queen extension I will explain how to do that also).

## Supply List:

Judy Niemeyer **Mariner's Compass Pattern** (Will have to be purchased from instructor prior to class) **(\$65.00)**

Purple Thang/Stiletto                      Add-a-Quarter Ruler\*                      3.5 x 13" Plastic Template (for folding)\*

Flower Pins                                      Glue Stick (UHU)                                      Glue Pen (Fons & Porter/Sewline)

Gallon Plastic Bags                              Large Paper Clips                                      Metal Black Clips

Rotary Cutter/Blades                              Self-healing Cutting Mat                                      Thread/#70 Needles

At least 6 x 18 grid flat ruler      Scotch Tape

*\*Instructor has designed a ruler kit with (6" & 12" Add-a-quarter ruler with matching templates) for sale in class – which is not needed until then – and ruler area is wider to protect your fingers while cutting. (\$17.00)*

**\*\* You will need your normal basic sewing supplies and sewing machine**

## Optional: (Not necessary)

Small iron                                      Ironing Pad                                      Light table/Pencil

***Class Preparation:* Have all fabric and papers cut out and organized prior to class – pre-class preparation is written clearly in pattern package.**

~~~~~  
A good rule of thumb – is to purchase additional fabric in each color – any amount from 1/4 yard to 1/3 yard should do. This is just in case you might run short – and mistakes can happen while cutting or piecing. Save your scraps – you could possibly need them later.

You will need to purchase the pattern from me prior to class – please allow yourself enough time to have your entire fabric and papers cutout prior to class. If you have any questions prior to class – please email me at [andrea.schnur@comcast.net](mailto:andrea.schnur@comcast.net)

Thanks and see you in class!! ☺
