

The following comments are from students that attended Certified Instructor, Jackie Kunkel's lecture/trunk show/workshop at the Evening Star Quilter's Guild in Mineola, New York ~ September 2013

**When asked: Is there something special that the certified instructor did that you believe goes above and beyond what you expected from the workshop that you would like to point out or commend them for?**

"Very personable."

"Jackie was wonderful! She was especially able to address multiple learning styles and should be commended for this ability!"

"A very good class! She was not afraid to say I made a mistake."

"I was a last minute sign up and did prep last minute as well. Jackie encouraged and reinforced what I did and what I needed to do."

"Jackie was very helpful with hints."

"Great class."

"Excellent class, her patience and constant touring of the class to check on everyone."

"Jackie was excellent at pacing the work and the demonstrations. She constantly walked around offering assistance. At no time did I feel as if she did not care about us or our work. She has an excellent grasp of learning styles and is very patient as she makes certain everyone is comfortable with the various steps."

"She was awesome!"

"Jackie was wonderful and always available."

"Jackie comes around often to see that we are ok. Better than other classes I have taken."
