

Students from CI Lisa McCarty's Cactus Flower Table Runner class, at Sew Creative in Beverly, Massachusetts, took the time to fill out our Student Survey. The below comments reflect the student's opinions when they were asked:

Is there something special that the Certified Instructor did that you believe goes above and beyond what you expected from the workshop that you would like to point out or commend them for?

"(Lisa) Had a sense of humor and really made class fun. Timing of demonstrations was excellent, spaced nicely during the day."

"Very knowledgeable and good presentation skills. She offered help after class via phone or email."

"Lisa was extremely helpful both personally as needed and as a group. I learned a lot – I do miniature paper piecing, so this technique was new to me."

"This is my second class with this instructor and she is very good. She does an excellent job making it fun for everyone."

"Lisa was very patient with me since I got off to a very slow start with a new machine and learn better by reading than visual demonstration and I had gotten very confused from reading the instructions last night!"

"She is so upbeat, she relates to everyone."

"Excellent class! Lisa McCarthy is a wonderful teacher. Very knowledgeable."

"She was attentive to everyone and able to help people at all abilities."

"Lisa gave out her email and phone number in case there were any questions or problems with finishing the runner. Loved the workshop! Lisa is fabulous!"
