CI/CS Jackie Kunkel/Canton Village Quilt Works received an email from a student expressing her satisfaction on a class she took from Jackie in Phoenix, Arizona at the 35th Ave Sew & Vac.

“Thank you Jackie Kunkel & the staff of 35th Ave Sew & Vac for the most amazing class I have ever participated in!

I can honestly say that in my 14+ years of taking numerous classes in quilting, to not only to learn a new technique or just for fun, this class far excelled any other that I have taken.

I am in awe of the techniques and tips gleaned in the first two of six classes (spread out over 3 months) and can only imagine what I will take away from the remaining classes.

Again, thank you Jackie and thank you too Kelly Sutton Grant for sharing your many organizational talents”
