

March 3, 2014

CI/CS Jackie Kunkel/Canton Village Quilt Works received feedback in an email from a student who took her Farmhouse Window Table Runner class in Houlton, ME.

“Thank you again for a wonderful informative class - you are an excellent teacher who makes each student feel inspired and accomplished by the end of your workshop. As a student, I appreciated your checking in with student, your incredible amount of information passed in your class and being able to understand the why's of the techniques taught and the tools used.

Thank you again.”
