**CI Andrea Schnur received an email from a student in regards to and Arizona Cactus class she taught in 2013.**

*"Hi Andrea,*

*I just wanted to drop you a line and tell you that I finally finished my Arizona Cactus that you taught at Hershey last year. I will be bringing it for show and tell this year. I had a great time in your class and was very impressed with how you were able to teach 25 women who were all at different stages of the project without skipping a beat. WOW!*

*I am very glad to see that your class for the new Captain's Wheel is filling up. We leave early Sunday morning so a two and a half day class does not work for my group. I am going to try and stop by before or after a class to see what patterns you have.*

*Looking forward to see you in Hershey, hopefully you are back again next year."*
