We received a Quiltworx.com Contact Form Submission in regards to one of our Canadian Certified Instructors, Shahena Fredericks out of Port Hope, Ontario.

*“Judy,*

*I have become addicted to your paper piecing patterns thanks to a wonderful teacher in Port Hope Ontario. Shahena Fredericks is a wonderful teacher and makes each step seem easy as we build our quilts. I have taken two classes now. The Glacier Star being my 1<sup>st</sup> and am now working on the Bali Wedding Star in a queen size quilt. I could not have done these patterns without her wonderful teaching and demonstrations for each technique. I live in Cobourg and feel so lucky to have her in our area.”*
