Class: Program/Workshop for Sunset Slope Quilters

“Sandy,

Thank you so much for your lecture at Sunset Slope Quilters - I really enjoyed meeting you and seeing all of your beautiful quilts. The workshop was such fun and we all learned so much. Many of the ladies expressed to me that you are such a good teacher - and I totally agree. Thanks for all of your help and hope to see you again.

Just wanted to tell you that several of us went to the Montrose Quilt Show today and there were probably 5 Judy Niemeyer quilts on display there. All of them were outstanding - so many others must be having as much fun as we did.”
